Re: PixFusion, LLC v. FunnyBit Studios, LLC
 Civil Action No. 07-9733

Dear Judge Berman:

This firm was retained to take over the representation of FunnyBit Studios, LLC ("FunnyBit") in the above referenced action on March 2, 2008 due to the sudden illness of FunnyBit's prior counsel. FunnyBit only became aware that its prior counsel would not be able to continue the representation on February 27, 2008. In light of this unexpected event and the additional matters described below, FunnyBit respectfully requests that the Rule 16 conference scheduled for Friday, March 7, 2008 be adjourned until Friday, April 18, 2008.

Plaintiff filed suit against FunnyBit on November 2, 2007, but did not serve FunnyBit until February 26, 2008. During that time, the parties engaged in settlement negotiations, which are still ongoing. The initial conference in this matter was set for December 10, 2007. By letter dated December 7, 2007, Plaintiff requested and was granted adjournment of the conference until January 14, 2008. Subsequent to that adjournment, Plaintiff requested and was granted adjournment of the January conference until February 18, 2008. Plaintiff unilaterally (FunnyBit had not yet been served) attended the February 18th conference, during which the Court orally rescheduled the conference until March 7, 2008.
